Pimchanok Rattanakul

UX/UI Designer

pimchanok.r@example.com · +66 00 000 0003 · Bangkok

Summary

Product designer with five years of experience designing mobile apps and marketing websites. I turn research into clear interfaces and work closely with front-end developers.

Experience

Senior UX/UI Designer, Example Travel Co. — 2022 – present

- Redesigned the hotel booking flow in Figma; conversion rose 18% after launch.
- Run usability tests with 10 users every sprint and turn them into design changes.
- Maintain the company design system of 120 components.

Graphic Designer, Sample Agency — 2020 – 2022

- Designed campaign visuals, social media content and landing pages for consumer brands.

Skills

Figma, Adobe XD, Illustrator, Photoshop, user research, prototyping, HTML and CSS basics

Education

B.F.A. Communication Design, Example Arts University, 2019
